

SACRAMENTO RELAXED BRIDGE

Come join the Bridge Clubs of Sacramento Friday night for a relaxed session of bridge. We'll start at 6:45 pm. Gives you time to put on your jammies, get an adult beverage, light a candle, and put some mood music on.

If we get six tables, we'll play a full eighteen boards, if we get four or five, we'll play either five or four board a round for twenty boards. (And if we get seven or more tables, you could talk me into seven rounds of three boards). Eight (yes eight) minutes per board (relaxed). Of course if everyone finishes early, the round ends and you move on.

I'll direct and the fees will remain \$5 BBO. You bring the adult beverages though.

Interested, let Teri know
